M. M.
Akhtar

Full Stack Developer

ABOUT ME

I'm an organised and detail-oriented Software Engineer with over 3 years of experience in full-stack development, specialising in Front-End, Back-End, and the dynamic MERN stack. I've made significant contributions to the EdTech industry, demonstrating a passion for creating innovative solutions.

While I hold a degree in Information Science Engineering from KNS Institute of Technology, Bangalore I believe my fast learning abilities, commitment to success and relevant studies make me the perfect fit for this position
